The DREAMERS Room

This is our Dreamers room for our walking 1 year olds and 2 year olds. You will find this room at the back of the building on the ground floor just past the stairs. Each week in this room we watch our little ones bring their dreams to life in imaginative play. We try to center our toys, play, craft and worship around the idea of the Bible Story that we are learning for the month.

OUR SERVICE LEADERS

JANIS PATERSON

Hi I am Janis! In Dreamers every week I love the worship songs and seeing how much the kids enjoy learning the actions and singing their wee hearts out.

LINDA HANNA

Hi, my name is Linda. Janis and I serve together and love playing with the littlest in our church family. I also love getting to provide an opportunity for parents to go into the service.

DEBORA DELGADO

Hi! My name's Debora! My favourite part of each Sunday is singing, dancing and seeing how beautifully our little ones worship God, some of them even before they are able to talk, through their expressions!

TOBI MAYER

Hi, my name is Tobi! One of my favourite things about serving our Dreamers is that I get to see what my daughter is learning each week. I love seeing the children grow in confidence and getting to know Jesus through music and stories.

CLAIRE MURPHY

Hi - I'm Claire! I love spending a Sunday morning with our little ones and bringing a Bible Story to life for them.

OUR CURRICULUM

All of our rooms in House Kids make use of Scripture Union material. Each of our Service Leaders receive this material and bring it to life in their own way. They choose from a range of toys, crafts, games, story telling methods and worship songs.

Every month we learn a new memory verse. This is the same verse that is done across all our rooms but made shorter and simpler for the littlest in our church family. We understand that they may not be able to say the whole verse at the end of the month but we believe it is important to share scripture even with our youngest.
